

MINIVANS

Northstar - Honda

- MORE INTERIOR ROOM
- LOWER RAMP ANGLE
- MORE HEADROOM

STANDARD IN EVERY HONDA ODYSSEY WITH THE VMI NORTHSTAR CONVERSION

- 11" lowered floor
- Maximum interior headroom
- Power ramp with non-skid surface
- Power door with easy manual operation
- Complete undercoating and rust proofing
- Emergency ramp release
- The PowerKneel™ System
- Removable front seat bases
- 3-year/36,000-mile warranty
- Manual wheelchair tie-down system
- Fully crash tested
- Fully carpeted seat bases
- Lower ramp angle
- Remote control entry

There are many seating options for both wheelchair users and other passengers, with our removable front seat bases. The Honda Odyssey with the VMI Northstar conversion floor plan creates more wheelchair maneuvering space than any other premium minivan on the market today. The spare tire is stored inside the vehicle on the driver's side wall of the rear hatch which leaves more cargo room. Other aesthetic features include plastic style inserts and interior matching ramp color.

NORTHSTAR

The Honda Odyssey with the VMI Northstar conversion is the industry's best side entry, lowered floor premium minivan. The Honda Odyssey has been handed down many awards, including the IntelliChoice "Best Overall Van of the Year". By taking the best in class minivan and modifying it with the finest conversion available; we are giving you the best of both worlds. The Honda Odyssey packs a 244-hp engine that propels it to the head of the class; and the latest innovative Honda engineering at its core. The VMI Northstar conversion has long been viewed as the leader in the lowered floor minivan industry for both quality and reliability, and is time tested with over 12 years in service.
